GRADE 1 MORTISE — SURFACE MOUNT TRIM

WORKS WITH ALL BALDWIN ESTATE COLLECTION LOCK TRIMS

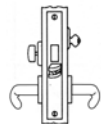

PROGRAM OVERVIEW:

Baldwin Hardware has long been the industry standard for decorative hardware solutions for the US /International Residential Marketplace. Baldwin expands our range of door opening solutions to include commercial applications. The aim of these product lines is to provide Architects/Designers of high-end decorative hospitality, condominium and tenant improvement projects the ability to utilize Baldwin's leadership architectural styles and finishes.

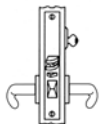

Application:

Commercial applications requiring Operational Grade 1 Mortise Locks. Design for use with all existing surface-mounted Baldwin Estate escutcheons, roses and levers. Product Line intended for light use commercially rated doors.
