

Make it smart. Yale YDR41A Smart Lock

YDR41A has a jimmy-proof lock system in place to prevent forced or unauthorised entry through drilling, picking or bumping. Minimal door modifications are required to install the YDR41A biometric smart lock, which allows multiple modes of access such as fingerprint recognition and PIN code. When there's added security and convenience like the YDR41A, then you can have peace of mind.

Trusted every day
