

REFLECTA PIN

No fuss security for every door.

The Yale Reflecta offers a sleek, mirror-finished rim lock that brings together essential security with style. Designed as a stand-alone independent solution, it caters to a broad audience seeking basic yet functional and dependable door access. With emergency 9V battery backup, it ensures you're never locked out. This gateway lock gives all the functionality without the fuss, providing options for PIN access suitable for doors with a thickness of 30-50mm. The Yale Reflecta is the ideal choice for those who value straightforward, reliable security.

Trusted every day
